*Maximum initial battery voltage (measured without a workload) is 12, 20 and 60 volts. Nominal voltage is 10.8, 18 and 54.

DeWALT's PERFORM & PROTECT™ line of Power Tools is designed to provide a high level of one or more of the following: control, dust containment, or low vibration, without sacrificing performance.

Terms and Conditions: This is not a game of chance. Void where prohibited. Offer only available at participating DriveKore retail locations. Offer valid on purchases made from 10/01/2018 through 10/31/2018, while supplies last. All federal, state and local laws and regulations apply. Redemption items will be provided at the participating retail location following the purchase, after receipt of original invoices. DriveKore and DeWALT reserve the right to limit number of redemptions per customer and/or transaction. For multiple purchase promotions, products must be purchased in one transaction, on one receipt/invoice, not cumulative. DeWALT reserves the right to provide alternate redemption items of equal or greater value. Offer valid only for product end users. Amounts on flyer do not include taxes. Offer not valid with any other offer or promotion. Products purchased are valid towards one promotion / redemption item only. Trade-In/Discount offer only valid for purchasers trading-in professional grade non-DeWALT power tools and if cordless, must include charger and at least one battery. All submitted tools become property of DeWALT, and will not be returned. Offer subject to change without notice. No cash value.
