

This Gently-Used Open-Face Spray Booth is **only \$500!** (FREE LOCAL DELIVERY!)

Open Face Booths are designed for many industrial and furniture finishing applications. Air flow is pulled in through the open front, across the painter and parts being sprayed, and then exhausted through the filter bank in the back wall of the booth. The filtered exhaust air is pulled through the exhaust plenum and discharged straight up and into the atmosphere through an exhaust.

Includes: 18" Dayton Belt-Driven Tubeaxial Multi-Volt (115 OR 230) Fan AND 24 Air Filters

Overall outside dimensions: 100" high x 49" wide x 58" deep (height includes attached fan)

Inside dimensions of spray box portion: 84" high x 42" wide x 28" deep (front half of the booth)
