**Powers FASTENERS**  
is now a  
**StanleyBlack&Decker**  
key brand.

Together with  
**DEWALT**  
they will provide "a comprehensive tool and anchoring package to the industry."

The **Strap-Toggle** is a pre-assembled anchor consisting of a carbon steel wing and a locking cap / ratchet leg assembly molded from engineered plastic. This unique anchor can be installed through a smaller hole and does not require a fixture or screw to set in the base material.
